

# Camp Registration Information

## Age Limitations

Children younger than 6 years old will be permitted to attend camp ONLY if they have completed a year of Kindergarten. Please refer to each camp for more specific age requirements.

## Earn Your Way to Camp!

Children may earn all or part of their way to camp by selling YMCA Butter Toffee Peanuts. For each case sold, campers earn \$20 toward the camp of their choice. For more details, call 544-1829.

## One-Week Option

A limited number of one week day camp spaces are available at designated sites. Please check with the Program Office for availability. This option is not available for Performing Arts Camp.

## Membership

Everyone is welcome to participate in YMCA camps! If you are not currently a member, there is a \$40 registration fee in order to participate in camps. This fee entitles you to an individual program membership and is good for one calendar year. It also entitles you to discounts on other YMCA programs.

## Camper Health Information

All camper Health History & Medical Release forms are due on the **FIRST** day of camp. Please turn them in at the camp site your child is attending. Due to ACA regulations, a copy of your child's **immunization record** is required. Also, to best serve your child, please inform our staff of any allergies or special health conditions that may exist.

## Financial Assistance

The YMCA offers reduced rates for income eligible families who wish to participate in our camping programs. Spaces are limited and eligibility forms must be completed & approved prior to enrollment. Please allow 7-10 days for this process. To apply or for more information, please stop by the Program Office or call 544-1829.

## Our Leadership

We take great pride in the quality of our YMCA staff leadership. Enthusiasm, knowledge, responsibility, and genuine love for children are all prerequisites for our camp leaders. Our program leaders go through a rigorous training program which emphasizes child development, camper safety, and leadership skills. Great care is taken to ensure that our programs are of the highest quality & that each child receives the individual attention they deserve.
