APPLICATION TO EXHIBIT in the Sonoma County Family YMCA Gallery

Nurturing the potential of every child, teen and adult; improving the nation's health and well-being; and giving back to our neighbors is the mission and work of the Y. Enhancing our facility with uplifting inspiring images helps fulfill this mission.

The Sonoma County Family YMCA Art Committee invites YMCA Members to submit applications to exhibit work in our gallery. The committee may also invite targeted groups and individuals to submit applications. Shows normally display for a three-month period. Submissions are displayed without judgment as to quality. Content must be appropriate for family viewing. The committee reserves the right to decline any application.

A sample of the work to be shown and selected photos or digital images should accompany this application. Applications are reviewed on a quarterly basis. Those selected will receive a response. There may be a pre-installation appointment to view your work and determine which pieces will be in the show.
