

MOVING- ON TEEN CAMP

Moving-On Camps are theme-oriented adventure camps. Mondays, Tuesdays and Wednesdays, campers will meet at Santa Rosa Middle School and take day trip activities from 8 am to 5 pm. On Thursdays, teens bring their sleeping bags as they hit the open road for an overnight and two full days of fun and adventure. Over the course of the session, our middle school aged campers will learn new outdoor skills, join in on transformative community service projects, and participate in fun team-building activities that will strengthen existing friendship and forge new ones.
