

PRESCHOOL PLAY CAMP

The YMCA Play Camp program provides fun opportunities for exploration, free choice time, art and music activities, games, and special events in a safe, nurturing environment. Play camp is all summer long and you may choose either half or full days. Please provide your child with a packed lunch daily. Play Camp is located at the YMCA Preschool, a year-round licensed program.

Tropical Adventures!

Dates: June 4—Aug 10

Tropical Adventure is out there, and we are going to seek it! Will we venture into the ocean? Walk with dinosaurs? Build a sand village? Learn to dance the Hula? The sky is the limit at our YMCA Preschool Play Camp! Your young child will enjoy each day spent at camp as we do craft or cooking projects, play outside, and enjoy being in the company of children their age.

We offer a unique camp experience that allows children to lead their own learning. We cater our day and activities to things the children have shown interest in. With Kindergarten quickly approaching, we will make learning fun as we help your child retain what they have learned during the school year and also work on other Pre- Kindergarten skills (name recognition, listening skills, fine and gross motor, etc.).
