

SUMMER ADVENTURE CAMP

YMCA Adventure Day Camp is a daily escapade of fun for young people ages 6-12. Camp provides opportunities for personal growth and group spirit in a safe, fun, and supportive atmosphere. Children are involved in games, crafts, and theme related activities planned specifically for their age group. This year Y Adventure Camps will be continuing our Reading Loss Prevention Program that campers can participate in and earn awards and prizes for their reading and literacy achievements.

Summer Reading Loss Prevention Program

PM Snack Provided

OOEY-GOOEY

Session 1

Dates: June 4-15

One of our all-time favorite sessions is definitely one of the messiest! Our Ooey-Goey session is all about having fun experimenting with different slimy creations, unique art projects, and much more.

Field Trip: Rebounderz

PLANET EARTH

Session 3

Dates: July 2-13 (No camp July 4)

Planet Earth will take campers on an adventure to the vast edges of our planet, where they might discover new animals, cultures, games, and crafts. The adventures are endless on Planet Earth!

Field Trip: Scandia

BLAST FROM THE PAST

Session 2

Dates: June 18-29

It's time to pop in that classic summer mixtape! Campers will "warp" through the decades with outrageously planned staff activities and groovy projects. The past and the future keep the possibilities for fun endless.

Field Trip: Cal-Skate

LIGHTS, CAMERA, ACTION!

Session 4

Dates: July 16-27

A cinematic themed session will have campers showing their outrageous talents and artistic endeavors. Campers will learn about the magic of song, dance, and cinema while creating their own masterpieces to share.

Field Trip: Bowling

ON THE FARM

Session 5

Dates: July 30-August 10

Campers will get an opportunity to experience life on the farm and practice basic survival skills as our pioneer ancestors once did. With the countless animals and outdoor pursuits, the fun never stops on the farm!

Field Trip: Snoopy's Ice
