The YMCA is committed to the healthy development of your child through a “child-centered” environment that provides for individual attention and encouragement as well as group participation. Our goal is to provide a safe, secure, and caring place in which your child can make friends, learn new skills, develop self esteem and have fun!

### OUR PHILOSOPHY

The YMCA Piner Preschool seeks to expand children's potential by providing a supportive, safe, creative, fun environment in which they can develop socially, intellectually, physically and emotionally.

***Molding young ones into  
a bright future...***

### PROGRAM OBJECTIVES

1. Provide a program of creative, appealing learning experiences for children through stimulating and challenging recreational and educational activities.
2. Create an environment that fosters opportunities in the following areas:
  - Health & Nutrition
  - Motor Skills Development
  - Interpersonal Relationships
  - Self-awareness & Confidence
  - Academic & Cognitive Skills

### CURRICULUM

The YMCA Preschool provides your child with high-quality, age-appropriate activities and enjoyable experiences. Personal attention, rich sensory experiences, and a generous supply of giggles are a big part of their day.

Preschoolers learn the importance of making choices, taking turns, developing language skills and working in a group. They will also play games and create to the limits of their imagination. Focus is placed on making friends, building relationships, staying active, and exploring each child's potential.

Our family centered program offers many additional activities including holiday concerts, ice cream socials, Mother's Day Brunch, Pre-K Graduation, and Parent Appreciation Breakfasts.

**Every day, a child learns something new. At YMCA Piner Preschool, each child learns something valuable.**
