Course Details/Requirements:

- This is a blended learning class. Approximately 7 hours of eLearning must be completed in order to participate in the class. You must attend and participate in all class sessions – no exceptions.
- Participants must be 15 years old on or before the final scheduled session of this course.
- Course prerequisites (call Chad at the number below to schedule prior to the start of the course):
 - Swim 300 yards continuously demonstrating breath control and rhythmic breathing. Candidates may swim using the front crawl, breaststroke or a combination of both, but swimming on the back or side is not allowed. *Swim goggles may be used.*
 - Tread water for 2 minutes using only the legs.
 - Complete a timed event within 1:40 seconds. Starting in the water, swim 20 yards, surface dive to retrieve a 10-lb. brick, return to the surface and swim 20yds. back to the starting point, and exit the water without using the steps or ladder.
 - **Note: Swimming is hard! It is a vigorous aerobic activity. If you have not been swimming regularly, it is highly recommended that you prepare yourself to meet these physical prerequisites.**
- Successful course completion earns 2-year certification in Lifeguarding/CPR/AED/First Aid from the American Red Cross
- Continued training is available to bridge to base-level Lifeguarding certification
